

Public Meeting Notices

Massachusetts General Law Chapter 39, Section 23B requires that the public's business be conducted in public. Therefore, except in an emergency, a notice of every meeting of any governmental body must be filed with the City Clerk and posted at least forty-eight hours (not including Sundays and legal holidays) prior to said meeting.

View the schedule of upcoming public meetings and hearings scheduled by City of Newburyport Council, departments, boards and commissions at the counter of the City Clerk's office.

This information can also be found on the bulletin board located on the 1st floor of Newburyport City Hall, Pleasant Street entrance.
