Sec. 13-29. Snow emergencies.

Upon the declaration of a snow emergency by the superintendent of the department of public works, no parking shall be allowed on any street or way in the city. The superintendent, upon such declaration, shall cause notice of the snow emergency to be given by radio broadcast or other suitable media. Upon the declaration of the end of the snow emergency by the superintendent, parking shall be allowed on any street or way in the city. Provided, however, that this section shall not be construed to permit parking where it is specifically prohibited by the provisions of this chapter.
