

Public Informational Meeting **Inn Street Lighting & Brick Turret Restoration Project**

The City of Newburyport's Office of Planning & Development will hold a Public Informational Meeting on

November 16, 2011
6:00 - 6:30pm
Newburyport High School - Library
241 High St, Newburyport, MA

The purpose of this informational meeting is to present to the community planned improvements to the Inn Street area of Downtown Newburyport which will include lighting improvements and redesign of existing brick turret stairways surrounding the pedestrian plaza. This project is a joint effort between the City of Newburyport (Donna D. Holaday, Mayor) and the Downtown Group. A portion of this project has been generously supported by the City of Newburyport Community Preservation Fund.
